Climb the ranks and learn the forbidden mysteries of Jelly Bombing!

Stay tuned for more news soon!. **New version of Jelly Bomber out TODAY:**

Hey everyone! Over the last few days, Dinofarm Games has been working on a cool update for *Jelly Bomber*, and this update is OUT RIGHT NOW!

It has a lot of nice improvements, particularly in the UI (check out our new character select screen!). There's also a new Apricot pit sprite which makes it look a lot more distinct compared to the apricots themselves.

Thanks so much for playing, and let us know what you think!
